

A hand is holding a clear glass pitcher filled with a golden-brown liquid, likely iced tea. The pitcher contains several large ice cubes and slices of citrus fruit, including lemons and oranges. A long, thin metal stirrer is inserted into the liquid. The background is dark and out of focus, with some warm, golden light reflecting off the glass and the liquid. In the top right corner, there is a logo for 'ONE hot pot' in a stylized, golden font. The logo consists of a large, thin-lined circle with a leaf-like shape extending from the top right. Below the circle, the word 'ONE' is written in a bold, sans-serif font, and 'hot pot' is written in a smaller, lowercase sans-serif font below it.
