

BAR

Барная карта ресторана Brunello – это произведение искусства, посвященное гедонизму. Словно стекла бесчисленных оттенков в витраже, в ней собраны мировые шедевры дистилляции, мацерации и ферментации.

В этом разнообразии легко заблудиться.

Не сомневайтесь – задавайте вопросы, и наши бармены с удовольствием помогут вам.

This bar list is a pure piece of art dedicated to the hedonism. The world known masterpieces of distillation, maceration and fermentation are gathered here like countless shades of colors in stained glass. It is easy to get confused in this large selection, so do not hesitate to ask our bartenders for advice, they will be happy to help you.
