

A decorative border surrounds the central text, consisting of a repeating sequence of three geometric shapes: a square with rounded corners and inward-curving sides, a four-lobed clover-like shape, and a square with outward-curving sides and inward-curving corners. The border is composed of 20 rows of these shapes, with the top and bottom rows containing 10 shapes each, and the middle 18 rows containing 18 shapes each.

Coravin «Model Eight» Wine System – это инновационное устройство, которое дает возможность разливать вино по бокалам, не откупоривая бутылку.

Принцип работы Coravin «Model Eight» Wine System

не оказывает негативного влияния на вкус или аромат напитка.
