DEAR FRIENDS!

We are happy to welcome you to the Southern cuisine restaurant — LAMB. We are pleased to see you all. It is going to be a fascinating journey through aromas and flavours of the Southern regions of Russia, the Caucasus, and Central Asia.

Lamb is the place where tradition and history are closely intertwined. That union can be tasted in every meal. The dish that has come to the present days is the meaning of tradition, isn't it?

We involved experts from different regions of our country, studied customs and authentic ways of cooking, looked for rare spices and ingredients to improve the recipes. We created a fresh vision of oriental sweets, Crimean specialties and sunshine of Central Asian cuisine. Spicy pilaf and Caucasian kebabs, luscious khinkali and crusty chebureks are just a few things that you can taste in our restaurant.

Please come with your friends, fill your glasses and let notes of happiness and joy fill your heart. We will do our best to make your visit gastronomically enjoyable and full of warmth and care.

Bon appetit!

Sincerely yours,
LAMB
